

JOINT CONFERENCE

São Bernardo do Campo – São Paulo

October 2010

1st CALL FOR TUTORIALS

XX Brazilian Symposium on Artificial Intelligence

XI Brazilian Symposium on Artificial Neural Network

IV Intelligent Robotics Journey

The Joint Conference (SBIA/SBRN/JRI) 2010 Organizing Committee invites proposals for tutorials in English or Portuguese language to be held in conjunction with the conference. Tutorials are an effective way to provide a necessary background to the intended audience enabling attendees to understand technical advances.

These tutorials must be presented by subject matter experts and must reflect general and standard topics of Artificial intelligence, Neural Networks and Intelligent Robotics research fields. Proposals will be considered for half-day or full-day tutorials. Tutorial topic should have a direct relevance to the topics of the conferences. A tutorial proposal should include the following:

- Title of the tutorial
- Instructor(s) and their credentials (CV)
- Scope of the tutorial - Learning objectives
- Format of tutorial (1/2 day or 1 day) and language (English or Portuguese)
- 300 Word Abstract (for inclusion in conference materials)
- Keywords
- Full description (1-2 pages to be used for evaluation)
- Target Audience Information
- Prerequisite knowledge of audience

For more information, check the website: <http://www.jointconference.fei.edu.br/>

Joint Conference and SBIA General Chair

Flavio Tonidandel (FEI)

SBRN General Chair

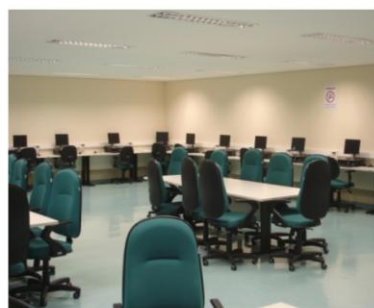

Carlos Eduardo Thomaz (FEI)

JRI General Chair

Reinaldo Augusto da Costa Bianchi (FEI)

Tutorial Chair

Paulo Sérgio Silva Rodrigues (FEI)

IMPORTANT DATES

- Proposal Submission Deadline: **May 03, 2010**
- Acceptance Notification: **June 7, 2010**
- Complete Tutorial Course Book/Slides : **Sept 06, 2010**
